

REMARKS

In the above amendments, dependent claims 3, 19, 34 and 47 have been cancelled since it is believed that the particular language of those claims was not accurately described in the patent application as filed in the Patent Office.¹ See the information disclosure statement filed herewith. Dependent claims 4, 20, 35 and 48 have been amended to modify their dependency so that they do not depend from the claims that were cancelled.

Respectfully submitted,
